2018 Summer Internships – Fire Protection Engineering – (Job #207574 and 207576)

Exelon is currently seeking highly motivated students for summer internships. Paid internships will last approximately 10 weeks between June and August 2017. Interns will work on projects designed to help them gain real-world, hands-on experience working independently under an assigned supervisor.

We are seeking students who meet the following criteria:

- Currently enrolled in Bachelor's program
- Minimum GPA: Cumulative 2.8/Major 3.0
- A track record of outstanding academic performance
- Eagerness to contribute in a team-oriented environment
- Ability to work creatively and analytically in a problem-solving environment
- Excellent leadership, communication (written and verbal) and interpersonal skills

Majors include:

- **Fire Protection Engineering**

Exelon is proud to be an Equal Opportunity Employer.
