

JOB OPPORTUNITY

Attention Students and/or Graduates

A&S Sprinkler Co., Inc., located at 101 East Laurel Avenue in Cheltenham, Pennsylvania, seeks a full or part-time designer for automatic sprinkler systems.

Candidate should have working knowledge and experience in AutoCAD software as well as Microsoft Office. The right candidate should also be familiar with NFPA Standards and International Building/Fire Code. NICET Certification is preferred but not required. Applicant need to be able to read blueprints, conduct surveys of existing systems in field, attend job meetings, and be willing to train with Hydratec Fire Sprinkler software.

Established in 1994, A&S Sprinkler Co., Inc. is one of the leading fire protection companies in the tri-state area. Both owners have been in the sprinkler industry since 1978. The company prides itself on fast and reliable service as well as the proper design, fabrication, and installation of automatic sprinkler systems.

A&S Sprinkler Co., Inc. is walking distance to public transportation. Working hours are typically 8am to 4pm Monday through Friday. Salary is negotiable, based on experience, with room for advancement.

If you wish to apply, please send a resume to Tom Stefanelli at ts@as-sprinkler.com, or David Arnone at da@as-sprinkler.com. Please feel free to contact us at 215-379-2900 extension 28 if you have questions about the position.
