

The right team is more than an advantage, it's a game changer! Come work with a team of engineering professionals dedicated to excellence at Coffman Engineers' DC metro office located in Fulton, MD.

We are seeking a dynamic, innovative, and quality-oriented individual with an interest in consulting engineering to join our team as a **Fire Protection Engineering Intern**. The ideal candidate will have a minimum of 2 years of post-secondary education in an accredited fire protection engineering program.

Eligibility Requirements:

- Enrolled as a full-time student in an engineering program at a nationally recognized, accredited college
- Two years of required courses completed towards an undergraduate engineering degree
- Exceptional written and verbal communication skills
- Detail orientated and organized
- Understanding of AutoCAD, Revit and Bluebeam
- Ability to work up to 40 hours during the summer break. Flexibility for school schedule/demands will be provided

Why You Want to Work Here

You could choose to work anywhere, so why work at Coffman Engineers? Because we are different – our culture sets us apart. Simply stated, we are a group of creative, high-performing people who like working together and believe that what we do makes a difference. Employees say that it feels like working with a group of friends in a small office while enjoying the benefits and perks of working for a large firm. Our culture isn't the only thing that makes us different, but it drives everything we do.

Coffman offers a fun and collaborative environment, professional development, and community opportunities. We support and encourage individually tailored professional and technical advancement, as well as personal growth. Just 20 minutes from the University of Maryland campus, our DC Metro office is located in an engaging and growing area. We make it a priority to find time to spend together, either in the office or out, building a stronger relationship to benefit our team goals. Join us.

Don't take our word for it. Check out what others are saying:
