Description

TerpEngage Advising is a campus-wide tool for scheduling advising appointments and serves as a centralized repository for advising notes. Effective December 2019, TerpEngage Notes is the official enterprise-wide system of record for documenting advising-related communications with students and with fellow advisors. Appointment scheduling functionality has been released with additional college and departmental units being onboarded throughout the Spring and Summer of 2020.

STEP 3

Select either 'Schedule an Appointment' or click on 'Nicole Hollywood'

STEP 6

More options regarding discussion topics are coming soon...

← Back Close X

Search...

What would you like to discuss?

- Advising Appointment >

STEP 7

Choose your preferred day time for 30 minutes.

**If you wish to have a longer appointment, you will need to go back in and schedule a second appointment for 30 minutes directly after your first. This is a shortcoming of the system that supposedly will be fixed later in the fall/early winter.
