

**FIRE PROTECTION AND LIFE SAFETY CONSULTANT
Chicago, IL**

Company Background

Code Consultants, Inc. (CCI), a privately held and internationally recognized engineering and consulting firm, is seeking motivated and talented individuals to join its expanding Chicago, IL office.

Founded in 1973, CCI is an industry leader, providing a diverse range of crucial consultation and design services including but not limited to:

- Fire protection and life safety
- Facility assessments (including SOCs)
- Computer fire and egress modeling
- Hazardous materials analysis
- Accessibility (ADA)
- Fire sprinkler systems
- Fire sprinkler corrosion assessment
- Fire alarm systems
- Mass notification systems
- Low voltage / ICT systems

CCI's experienced and trained team of over 80 professionals located in our Chicago, Los Angeles, St. Louis and New York offices consist of fire protection engineers, architects, civil/mechanical/electrical engineers, former code officials and members of the fire service. At CCI we value our team members and continuously strive to provide a great culture, career and personal development opportunities.

As a privately held firm, CCI's management team is fully responsible for the strategic direction of the firm and successfully manages growth by maintaining a stable organizational structure, consistent professional product across our offices, and applying objective performance-based compensation.

Role

As a member of the CCI team your responsibilities will include:

- Performing fire protection and life safety tasks related to client consultation and project management on a wide variety of projects.
- Interfacing with other CCI team members, clients and Building/Fire Officials.
- Participating in business development initiatives to expand and develop CCI services.
- Participating in the growth and development of the Chicago office, and CCI as a whole.

Qualifications

Ideal candidates will possess the following:

- A degree in Architectural, Civil, Engineering Management, Fire Protection, or Mechanical Engineering or related engineering discipline.
- Excellent written and verbal communication skills.
- Be motivated by growth opportunities for themselves and CCI.

Compensation

CCI offers an excellent compensation package with an objective performance-based bonus program and benefits (including 401(k) with matching contributions, health, dental, vision, life and disability plans).

Contact

Interested and qualified candidates may send resumes to CCI's Human Resources Department at HR@CodeConsultants.com.
