Fire Protection Engineer

Position Title: Fire Protection Engineer
Position Location: Baltimore, MD
Position Type: Full-Time
Required Education: Bachelor’s Degree in Fire Protection Engineering
Years of Experience: 0-2
Travel: Light travel may be required

Description: Whitman, Requardt & Associates, LLP (WRA) is a full-service, multi-disciplinary engineering, architectural, and planning firm that provides planning, design, and construction management services. With a professional staff of over 600, the firm’s services are focused on the needs of governmental, educational, institutional, and private sector clients primarily in the Mid-Atlantic region. Headquartered in Baltimore, Maryland with offices in Colorado, Delaware, Maine, North Carolina, Pennsylvania, Tennessee, Texas, Virginia and West Virginia, WRA is ranked 118 in the Top 500 Design Firms, and 158 of the Top 300 Architectural Firms by Engineering News Record. WRA is an Equal Opportunity/Affirmative Action Employer and complies with all applicable anti-discrimination laws.

We are currently seeking a Fire Protection Engineer with 0-2 years of experience for our Baltimore office.

The Fire Protection Engineer would be presented with the following tasks under direct supervision of senior staff:

- Fire protection systems design and specification.
- Fire alarm and mass notification systems design and specification.
- Life safety and building code analysis and consulting.
- Smoke control systems design.
- Development of performance-based life safety and fire protection features.
- Contract shop submittal review and field inspections.

The engineer would also be asked to interface with clients, engineers, and architects of varying technical abilities.

Requirements Include:

- Bachelor’s or Master’s degree in Fire Protection Engineering.
- Basic knowledge of building & NFPA codes.
- Proficiency in Microsoft Office software.
- Willingness to learn CAD software such as AutoCAD, Microstation and Revit.
- U.S. Citizenship and possession of, or ability to obtain, appropriate level of security clearance (required) for some positions.
- Willingness to take part in light travel.

Preferred:

- EIT or PE
