UMBC is currently monitoring COVID-19 and the impacts to our campus community and operations. The latest information is available at: https://covid19.umbc.edu/

Fire Protection Specialist

**Job no:** 493270  
**Work type:** Staff Full-time  
**Location:** UMBC Campus  
**Categories:** Environmental Health/Safety

**Department:** Environmental Safety & Health

The Fire Protection Specialist independently supervises the fire protection inspections, testing & repairs under contract at UMBC, and is primary responder to campus fire related alarms and emergencies.

Specific duties include: provides leadership for university health and safety programs; establishes, monitors, and enforces institutional policies and procedures; and helps ensure that investigators, staff, students, and contractors comply with all federal, state, and local environmental, health, and safety regulatory standards and codes, including university policies and procedures; and performs other duties as assigned.
Bachelor degree preferably in a Fire Protection Related Program and a minimum of 3 years' experience inspecting buildings and other places of public assembly for compliance with fire prevention and safety laws, codes and regulations.

Note: Additional related experience, including U.S. Armed Forces military service experience as a non-commissioned officer in Firefighter classifications or Firefighter specialty codes in the fire inspection field of work, and formal education may be substituted for the education or experience requirement on a year-for-year basis with 30 college credits being equivalent to one year of experience.

Strong verbal and written communications skills
Commitment to exemplary customer service.

Upload a cover letter, resume and contact information for three professional references.

For best consideration submit application materials by January 4, 2021 (applications will be accepted until the position is filled).

Salary is commensurate with qualifications and experience.

Full-time
Regular
Exempt

UMBC offers a benefits package for regular and grant-funded regular employees including generous leave, excellent health, life, and disability insurance, retirement plans, tuition remission, on-site preschool, and numerous professional development and wellness opportunities. Contingent II positions may include some benefits.

Please note the Type and FLSA Status above to determine the benefits offered for this position.
