Tyndall Afb, FL US
Company: Battelle

Battelle delivers when others can’t. We conduct research and development, manage national laboratories, design and manufacture products and deliver critical services for our clients—whether they are a multi-national corporation, a small start-up or a government agency.

We recognize and appreciate the value and contributions of individuals with diverse backgrounds and experiences and welcome all qualified individuals to apply.

JOB SUMMARY
We are currently seeking a **Fire Research Engineer** to support Research, Development, Test & Evaluation (RDT&E) efforts in Fire and Emergency Services (FES). This position is located on-site at **Tyndall Air Force Base, near Panama City, FL**. The successful candidate will support the Fire Integrated Research and Engineering (FIRE) team in efforts related to U.S. Air Force firefighter requirements, specifically related to new firefighting agents, and extinguishment systems in various military settings (hangars, vehicles, etc).

Active areas of research include, but are not limited to:
1) Firefighting agent design
2) Personal protective equipment
3) Agent dispersal techniques and equipment
4) New fire suppression agents and technologies

**MAJOR RESPONSIBILITIES**

- Performs RDT&E of moderate complexity by compiling and evaluating design and test data, preparing technical specifications, analyzing technical data to determine appropriate limits and variables for product, process or materials specifications
- Designs experimentation procedures for evaluation of fire extinguishment systems, including instrumentation, and data collection from field testing
- Presents findings via technical reports
- Performs standardized chemical analysis of firefighting agents

**THE FOLLOWING IS REQUIRED**

- BS in chemical engineering, fire protection engineering or equivalent
- Knowledge of fire research and/or firefighting practices is desired
- Proactive, self-starter who can work independently and in a team environment
- Candidate must be a U.S. Citizen with ability to obtain and maintain a security clearance
LEGAL DISCLAIMER

The above statements are intended to describe the nature and level of work being performed by people assigned to this job. They are not intended to be an exhaustive list of all responsibilities, activities and skills required of staff members. **No statement herein is intended to imply any authorities to commit Battelle unless special written permission is granted by Battelle’s Legal Department**

Battelle Benefits
Battelle’s benefits program supports employees so they can be at their best at home and at work. It’s a comprehensive package including:

- A benefits concierge service to help you understand and use your benefits
