Join a global professional services leader. We are committed to solving the world’s biggest challenges in the areas of built environment, water, energy and transportation.

GHD has an opportunity for a **Graduate Fire Life Safety Consultant** within our US West Fire Life Safety Business Group in the **San Francisco/Concord, CA office**. The position will support a wide variety of projects involving fire and building code consulting, performance based-design, fire protection and fire alarm system design/evaluation, smoke control system, fire modeling, etc., for a diverse group of clients in the West Region and across the U.S.

**Responsibilities include, but are not limited to:**

- Building/Fire Code Consulting to End-users, Architects/Engineers (A/E) Firms, and Governmental Agencies
- Preparing Building/Fire and Life Safety Code Analysis/Reports
- Fire and Egress Computer Modeling and Analysis
- Design, Testing, and Commissioning of Smoke Control Systems
- Developing Engineering Judgements and Performance Based Design Approaches
- Evaluation of Existing Building Fire Protection and Life Safety Systems
- Client Relations/Communications
- Team Collaboration

**The Ideal candidate will have the following skills:**

- Excellent Communication Skills
- Solution Driven
- Highly motivated and Business/Client Focused
- Ability to Collaborate within a Team Environment
- Excellent People Skills
- Bachelor’s degree in Engineering, Construction Management, Architecture or related field
- Ability to Perform Field Work/Site Survey
- Small to Medium Scale Project Consulting Services
- Experience with Microsoft Word, Excel, and PowerPoint

**Qualifications:**

- Bachelor’s Degree in Engineering, Construction Management, Architecture, or related field
- 0-3 year’s of experience
- Working Knowledge of National and International Building and Fire Codes and Standards
- Knowledge of Built Environment Construction
