Job ID: 10067714**Location:** Glendale, California, United States / Lake Buena Vista, Florida, United States**Business:** Walt Disney Imagineering**Date posted:** Dec. 20, 2023

Job Summary:

About the Role & Program

Walt Disney Imagineering is the creative force that imagines, designs and brings to life all Disney theme parks, resorts, attractions and cruise ships worldwide. Working across a spectrum of teams that range from creative and conceptual to scientific and technical, we blend an innovative mixture of storytelling, art, science and technology to create immersive experiences, memorable destinations, and innovative entertainment for families around the globe!

What You Will Do

As a Fire Protection Engineering intern, you will have a wide range of opportunities to contribute to project success by developing designs and providing engineering support to Walt Disney Imagineering Architects and Engineers on various type of projects including Attractions, Resorts, Foods and Beverage, Merchandise and Entertainment venues.

As an intern on the team you will have the opportunity to assist project Engineers and Architects including: Fire Protection, Civil, Structural, Mechanical, Plumbing, and Electrical, in all phases of project work, from drafting, on-site as-built documentation, design coordination with outside design consultants, field data collection, design / production work, construction administration, loss prevention, commissioning, and close-out documentation for a variety of projects ranging in scope from minor rehabs to building new facilities.

Required Qualifications & Skills

- Prior related work experience is desired, including co-op/intern programs with a focus on architecture, engineering, or construction
- Demonstrated/proven strong leadership, technical and interpersonal skills
- Self-starter with demonstrated initiative - able to handle multiple tasks and priorities
- Availability to work various shifts commensurate with project requirements
- Ability to manage time effectively and in various work locations including on project sites and occasional remote work

Education

Currently enrolled as a Junior or higher, or must have graduated within the past 6 months from an accredited college/university earning a degree majoring in Fire Protection Engineering or Fire Protection and Safety Engineering Technology

Eligibility Requirements & Program Information

- Must be enrolled in an accredited college/university taking at least one class in the semester/quarter (spring/fall) prior to participation in the internship program OR must have graduated from a college/university within 6 months at time of application posting OR currently participating in a Disney College

LIFE AT DISNEY

JOB ALERTS

- This internship may be located in Glendale, CA or Orlando, FL

About Walt Disney Imagineering:

Founded in 1952 as WED Enterprises to design and build the world's first theme park — Disneyland — Walt Disney Imagineering (WDI) is where imagination and creativity combine with cutting-edge technology to create unforgettable experiences. WDI is the creative force that imagines, designs and builds all Disney theme parks, resorts, attractions and cruise ships worldwide. Imagineering's unique strength comes from its diverse global team of creative and technical professionals, who build on Disney's legacy of storytelling to pioneer new forms of entertainment. The Imagineers who practice this unique blend of art and science work in more than 100 disciplines to shepherd an idea all the way from "blue sky" concept phase to opening day.

About The Walt Disney Company:

The Walt Disney Company, together with its subsidiaries and affiliates, is a leading diversified international family entertainment and media enterprise with the following business segments: Disney Entertainment, ESPN, Disney Parks, and Experiences and Products. From humble beginnings as a cartoon studio in the 1920s to its preeminent name in the entertainment industry today, Disney proudly continues its legacy of creating world-class stories and experiences for every member of the family. Disney's stories, characters and experiences reach consumers and guests from every corner of the globe. With operations in more than 40 countries, our employees and cast members work together to create entertainment experiences that are both universally and locally cherished.

This position is with Walt Disney Parks and Resorts U.S., Inc., which is part of a business we call Walt Disney Imagineering.

Walt Disney Parks and Resorts U.S., Inc. is an equal opportunity employer. Applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, sexual orientation, gender identity, disability, protected veteran status or any other basis prohibited by federal, state or local law. Disney fosters a business culture where ideas and decisions from all people help us grow, innovate, create the best stories and be relevant in a rapidly changing world.
