

# Graduate Fire Engineer (Available 2026) in Los Angeles, California, United States

## See it differently

You see the world through a unique lens and that's exactly what we need. We embrace how you see things differently – it's essential for creating a sustainable future.

Arup is a global consultancy with advisory and technical expertise across more than 150 disciplines. We guide, plan and design the future of the built environment. Globally, each year we recruit hundreds of graduates to help us see things differently and solve the most complex challenges facing our clients, climate and communities.

## The Opportunity

- Provide consulting for life safety, building, and fire code compliance
- Contribute to the development of prescriptive and performance-based design strategies.
- Assist senior engineers to help clients to incorporate fire and life safety strategy concepts into the design and review drawings for conformance with the agreed strategy
- Assist with development of fire alarm, detection, and fire suppression systems design documents
- Assist senior engineers on project site visits and communicate with architects, contractors and consulting teams
- Participate in internal team meetings and external client meetings
- Adapt to working with multiple teams, across multiple offices in a multi-discipline environment
- Perform smoke control analysis
- Assist with fire modeling
- Assist with dynamic egress modeling
- Assist with the development of structural fire calculations
- Assist with the development of fire safety strategies for special hazards

## Is this role right for you?

### Required:

- Bachelor's Degree in Fire Protection, Mechanical, Chemical or Civil Engineering
- Professional demeanor

- Excellent written and verbal communication skills
- Skills in planning and organizing
- Attitude of taking initiative, enthusiasm, eagerness to learn
- Candidate must be eligible to work in the US without the need for employer sponsored work authorization now or in the future to be considered for this role

We're looking for:

- Recent and soon-to-be graduates:
- Whether you've just graduated or are graduating before the role starts, we want to hear from you if your degree is in a relevant field.
- Changemakers: A passion for sustainable development and creating a better world is key.
- Innovative minds: We're looking for critical thinkers who embrace new ideas and challenge the status quo.
- Growth seekers: You have a growth mindset, always eager to learn and explore new ways of working.
- Adaptable adventurers: You're ready to take on any challenge that comes your way.

## **What we offer you**

At Arup, we care about each member's success, so we can grow together.

Guided by our values, we provide an attractive total reward package that recognizes the contribution of each of our members to our shared success. As well as competitive, fair and equitable pay, we offer a career in which all of our members can belong, grow and thrive – through benefits that support health and wellbeing, a wide range of learning opportunities and many possibilities to have an impact through the work they do.

We are owned in trust on behalf of our members, giving us the freedom, with personal responsibility, to set our own direction and choose work that aligns with our purpose and adds to Arup's legacy. Our members collaborate on ambitious projects to deliver remarkable outcomes for our clients and communities. Profit Share is a key part of our reward, enabling permanent members to share in the results of our collective efforts.

Our graduate experience offers you:

- Purpose-driven work: Join an employee-owned team tackling climate, biodiversity, and social challenges, aligned with the UN's Sustainable Development Goals.
- Create remarkable outcomes: We trust you to explore challenges, drive change, and create lasting outcomes for our clients, climate and communities.
- Inclusive culture: Your unique perspective matters. We celebrate diversity and foster a supportive, social environment where everyone belongs.
- Career growth: Grow your skills through innovative projects, training, and mentoring in a supportive environment. We invest in your future.

- **Work-life balance:** Our hybrid model offers flexibility to balance work with your life. We balance your needs with our clients and communities

At Arup, we have a comprehensive and valuable benefits program that works for our employees and their families while keeping costs low. These benefits provide health and welfare security for you as well as paid time off for rest and renewal. As a member of Arup, everyone shares in our success through a global profit share scheme (payments are dependent on the firm's financial performance). Our Global Profit Share Plan (paid bi-annually) provides an opportunity for you to share in the success of the Firm. As a valued employee of Arup, you can also choose to participate in our 401(k) plan with up to 10% company match to help you save for your future.

**Los Angeles Hiring Range** - The good faith base salary hiring range for this job if performed in Los Angeles, CA is \$74,500 to \$81,500 per year. Benefits are not included in the base salary. Please note hiring ranges for candidates performing work outside of Los Angeles, CA will differ.

**San Francisco Hiring Range** - The good faith base salary hiring range for this job if performed in San Francisco, CA is \$77,500 to \$84,500 per year. Benefits are not included in the base salary. Please note hiring ranges for candidates performing work outside of San Francisco, CA will differ.

## **Next Steps**

We will be reviewing our candidates for this position on a rolling basis. Once you've submitted your application, we'll invite you to showcase your skills through a pre-recorded video interview if you've met the minimum requirements. After reviewing your submission, a member of our team will get in touch with you to discuss the next steps.

Arup is an equal opportunity employer. All qualified applicants will receive consideration without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, spouse of a protected veteran, or disability.

Stay safe online. Recruitment fraud is on the rise, and Arup's name, logo, and branding have been used in fraudulent job advertisements. Arup will never ask for bank information as part of our recruitment process.

## **Different people, shared values**

Arup is an equal opportunity employer that actively promotes and nurtures a diverse and inclusive workforce. We welcome applications from individuals of all backgrounds, regardless of age (within legal limits), gender identity or expression, marital status, disability, neurotype or mental health, race or ethnicity, faith or belief, sexual orientation, socioeconomic background, and whether you're pregnant or on family leave. We are an open environment that embraces diverse experiences, perspectives, and ideas – this drives our excellence.

Guided by our values and alignment with the UN Sustainable Development Goals, we create and contribute to equitable spaces and systems, while cultivating a sense of belonging for all. Our internal employee networks support our inclusive culture: from race, ethnicity and cross-cultural working to gender equity and LGBTQ+ and disability inclusion – we aim to create a space for you to express yourself and make a positive difference.
